Goldsboro Municipal Golf Course Maintenance Equipment Lease

- City of Goldsboro has a lease for maintenance equipment used at Goldsboro Municipal Golf Course
- This 59 month lease has concluded
- Equipment lease cost was for \$3,901.77/month plus tax; that equates to \$46,821.24/year
- Equipment lease was for seven (7) pieces of equipment; one of which the City of Goldsboro is interested in purchasing

(Approved in FY19-20 P&R Budget to purchase this piece of equipment to assist with cutting Ballfields, Bryan MSCX, etc.)

Why is this equipment important:

- Goldsboro Municipal Golf Course is the host course for several tournaments, collegiate practices, high school practices and play
- There is a need to continue using these types of equipment to maintain the current level of service
- These pieces of equipment are responsible for cutting the greens, the fairway, the rough, the driving range and thick vegetation (including small trees and shrubs)
- No one piece of equipment can do all of these things

What are our options:

- Purchase new equipment (6 pieces) = \$283,222.92 plus tax
- Purchase old equipment (7 pieces) = \$105,000.00 plus tax
- 2 Yr Lease on old equipment (7 pieces), with City of Goldsboro owning equipment at end of lease = \$4,673.86/month plus tax
- Lease new equipment (6 pieces) = \$4,755.59/month plus tax OR \$54,705.45 annually plus tax
- Staff recommendation: Lease new equipment with annual payment option

Why do staff support lease option:

- Cost “savings” on either purchasing or leasing the current equipment will be lost with continued and increased maintenance costs
- These maintenance costs were not budgeted as funds were approved to lease new equipment
- Funds were not approved to buy new or current equipment
- Savings of \$10,000 leasing new equipment with annual payment option instead of purchasing new equipment

Questions?

- Greensmaster 3150 (2) – Used to cut the greens; runs every day
- Reelmaster 5510 (2) – Used to cut the fairway (fairway mowers); each mower runs at least 3 days/week
- Groundsmaster 4500 – Used to cut the rough at the Golf Course; runs at least 3 days/week. Mower is also used to cut the Driving Range – runs a minimum of an additional half day for this
- Groundsmaster 3280 – Used to cut the rough, thick vegetation including small trees and bushes. Runs all week
- Groundsmaster 3500 – Used to help cut the rough**

Greensmaster 3150 –

Groundsmaster 4500 –

Groundsmaster 3280 – used to cut rough, thick vegetation (small trees, shrubs)

Groundsmaster 3500 – approved to purchase in FY19-20 P&R Budget

• Greensmaster 3150	-	1734.3 hours
• Greensmaster 3150	-	3119.1 hours
• Reelmaster 5510	-	1151.0 hours
• Reelmaster 5510	-	977.0 hours
• Groundsmaster 4500	-	2193.7 hours
• Groundsmaster 3280	-	711.0 hours
• Groundsmaster 3500	-	234.0 hours*

*Approved in FY19-20 P&R Budget to purchase this piece of equipment to assist with cutting Ballfields, Bryan Multi-Sports Complex, etc.

- 1000 hours on this equipment is similar to 100,000 miles on a car
- Once equipment gets 10-12 years old, there is more difficulty finding parts for it
- Money is already in our FY19-20 Golf Municipal Golf Course Budget for equipment lease

CITY OF GOLDSBORO
AGENDA MEMORANDUM
AUGUST 19, 2019 COUNCIL MEETING

SUBJECT: Purchase Order Rollover FY19 to FY20 Operating Budget Amendment

BACKGROUND: As part of the FY19-20 Budget Ordinance, the City includes a provision to allow for unfulfilled purchase orders to be carried over and appropriated in the new fiscal year. (G.S. §159-13).

DISCUSSION: Please find attached an ordinance amending the annual operating budget for fiscal year 2020 for the amount of appropriations necessary to re-establish encumbrances for the individual outstanding purchase orders as of June 30, 2019 that we intend to honor in the new fiscal year (FY 2020). Also, enclosed is a purchase order rollover listing by fund and includes a brief description of the items/services. Departments must submit rollover requests in mid-July and it was requested that they should be more than \$5,000. However, due to change in management staff, there are several below that threshold.

A summary by fund is presented below:

Annual Operating Funds

General Fund	\$ 1,516,984.83
Stormwater Fund	101,232.00
Utility Fund	3,217,040.13
Downtown District Fund	21,350.00
Total Annual Funds	<u>\$ 4,856,606.96</u>

Project Funds

Phase IV Sewer Rehab SRF Capital Project	\$ 6,160,317.27
Police Evidence & Fire Station 4 Renovation Capital Project	163,998.24
Street GO Bonds Capital Project Fund	446,537.73
Total Project Funds	<u>\$ 6,770,853.24</u>

Total All Purchase Orders	<u>11,627,460.20</u>
----------------------------------	-----------------------------

Items/services on the list represent construction contracts or service contracts that require significant time to completion or implementation which extends beyond the boundaries of the annual operating budget year from July 1 through June 30.

Purchase orders for project funds are presented for informational purposes only and are not included in the attached ordinance as they are not annual operating type funds and do not lapse and thus do not require annual appropriation.

The Local Government Commission of the State Treasurer's Office recommends following the method of Reserve for Encumbrances that the City uses above. The other acceptable method offered requires the City to hold open the prior fiscal year to account for encumbrances. Although it is an acceptable method, the LGC does not recommend the use of this method.

RECOMMENDATION:

It is recommended that the City Council, by motion:

1. Adopt the attached FY19-20 Operating Budget amendment for purchase order rollovers.

In addition, it is against the policy of the City of Goldsboro to discriminate against someone based on his or her marital status, sexual orientation, gender identity or gender expression.

III. Definitions

Covered Employees. This policy applies to all employees of the City of Goldsboro, including, but not limited to, full and part-time employees, regular, temporary, contract and seasonal employees, vendors, employees covered or exempted from personnel rules or regulations, on or off duty City employees harassing another City employee on or off duty, non-City employees harassing City employees and City employees harassing non-City employees while the City employee is on duty or in City uniform.

Harassment. For purposes of this policy, any verbal or physical conduct designed to threaten, intimidate or coerce an employee, co-worker, non-City employee, or any person working for or on behalf of the City of Goldsboro.

The following examples of harassment are intended to be guidelines and are not exclusive when determining whether there has been a violation of this policy:

1. Verbal harassment includes comments that are offensive or unwelcome regarding a person's national origin, race, color, religion, gender, gender expression, sexual orientation, age, body, disability or appearance. Verbal harassment includes epithets, slurs, and negative stereotyping.
2. Non-verbal harassment includes distribution, display or discussion of any written or graphic material that ridicules, denigrates, insults, belittles or shows hostility, aversion or disrespect towards an individual or group because of national origin, race, color, religion, age, gender, gender expression, gender identity, sexual orientation, pregnancy, disability or other protected status.

Hostile Work Environment. Results from harassing conduct, as defined above that has the purpose or effect of unreasonably interfering with an employee's work performance, or creates an intimidating, hostile or offensive working environment.

Sexual Harassment. A form of sex discrimination that consists of unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

1. Submission to that conduct is made either explicitly or implicitly a term or condition of employment;
2. Submission to or rejection of such conduct by an individual is used as a component of the basis for employment decisions affecting that individual; or
3. The conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Examples of sexual harassment can include, but are not limited to, the following when such acts or behavior comes within one of the above definitions:

1. Either explicitly or implicitly conditioning any term of employment (e.g. continued employment, wages evaluation, advancement, assigned duties or shifts) on the provision of sexual favors;
2. Touching or grabbing a sexual part of an employee's body;
3. Touching or grabbing any part of an employee's body after that person has indicated or it is known that such physical contact is unwelcome;

7. Referring to or calling a person a sexualized name;
8. Regularly telling sexual jokes or using sexually vulgar or explicit language in the presence of other employees;
9. Retaliation of any kind for having filed or supported a complaint of sexual harassment (such as but not limited to ostracizing the person, pressuring the person to drop or not support the complaint, adversely altering the person's duties or work environment, etc.);
10. Derogatory or provoking remarks about or relating to an employee's sex or sexual orientation or gender identity or gender expression;
11. Harassing acts or behavior directed against a person on the basis of an employee's sex, sexual orientation, gender identity, or gender expression; or

Sexual harassment can also consist of intimidating, abusive or hostile behavior of a non-sexual nature towards an employee on the basis of gender. Verbal abuse and hostility that is not sexual in character but is directed solely at females because they are female or males because they are male may also constitute a violation of this policy on the same level as harassment of a sexual nature.

Sexual Harassment can also take the form of offensive conduct by non-employees such as vendors and outside contractors against employees in the workplace.

D. Sanctions

CITY OF GOLDSBORO
AGENDA MEMORANDUM
AUGUST 19, 2019 COUNCIL MEETING

SUBJECT: Change Order – Phase IV Sewer Collection Rehabilitation
Formal Bid No. 2018-004

BACKGROUND: The Phase IV Sewer Rehab Project provides for installation of approximately 30,900 linear feet of cast-in-place-pipe (CIPP) rehabilitation of existing sanitary mains, including various root treatments, obstruction removals, cutting of intruding taps and asphalt or concrete surface repairs directly associated with the completion and restoration work detailed in the contract specifications.

DISCUSSION: Staff requested the contractor, T. A. Loving Company, provide costs for additional work to replace a deteriorated gravity sanitary sewer line on Beech Street at Beech Street Apartments.

This additional work will require the contract completion time to be extended by 15 days. The amended contract completion date for the remaining rehabilitation work is December 21, 2019.

Staff recommends issuing a change order to the current contract with T. A. Loving for the Phase IV sewer collection rehabilitation project. We have reviewed this change order with the Finance Director and determined that funds are available from the Clean Water Revolving Fund Loan.

RECOMMENDATION: It is recommended that the City Council, by motion, adopt the attached resolution authorizing the City Manager to execute a change order for \$164,613.98 with T. A. Loving Company.

Planning is working on the long-term transportation plan, which is due this October. By Q4 and early Q1, we will consider feasibility plans and desires for how the MST's land route should meander through Goldsboro-Wayne County. In the meantime, the Friends of the MST group will lend its Coastal Crescent trail planner, Ben Jones, to help us consider feasible route options.
