The City Council of the City of Goldsboro, North Carolina, met in a Work Session in the Council Chambers, City Hall, 214 North Center Street, at 5:30 p.m. on May 15, 2023.

Call to Order. Mayor Ham called the meeting to order at 5:30 p.m.

Roll Call.

Councilman Greg Batts

Councilman Bill Broadway

Also Present: Tim Salmon, City Manager

Adoption of the Agenda. Upon motion of Councilwoman Jones, seconded by Councilman Gaylor, and unanimously carried, Council adopted the agenda.

Old Business.

United Way NPO Funding Process. Sherry Archibald, United Way Executive Director, shared the requirements for NPOs to apply for funding for FY 23-24.

The Notice of Funding Opportunity document which was provided to Council was discussed with Council and is on the United Way's website along with the application. Mrs. Archibald shared the following: Step one opened last Wednesday and will be open until this Friday. Step 2 will be open next Tuesday. Step one looks at the criteria or the requirements that would be needed to apply for funding. Page eight of the Notice of Funding outlines the requirements for financials from nonprofits that are applying for funding (see below). Budgets under \$200,000 would be required to submit an audit, a CPA review or tax returns/internal financial statements. Budgets between \$200,000 - \$500,000 would be either an audit or a CPA review and then over \$500,000 would be an audit with a financial statement.

Agencies with budgets over \$500K must submit an audit from the previous year with a financial statement prepared by an independent CPA. Agencies with budgets from \$200K-\$499K must submit an independent financial audit with management letter or a CPA review. Agencies with a budget of less than \$200K must submit an audit, a CPA review, or tax returns/internal financial statements. If an agency is required to have an audit by some other oversight group or is required by organization's Board of Directors, then the City of Goldsboro requires copy of said audit.

Financial requirement for \$200k-\$499k is subject to change following City Council advisement May 15th.

Councilman Gaylor asked if the 990 or 990EZ would be sufficient for those organizations with budgets under \$200,000. Sherry Archibald, United Way Executive Director, confirmed that is true.

Councilwoman Matthews asked if those organizations that had received money last year had been notified that the application was open for this year. Sherry Archibald, United Way Executive Director confirmed that they had been notified, and the application was opened to the public.

There were no further comments or questions from Council.

NPO Funding Amount Discussion. Mayor Ham stated that one factor that may impact the NPO funding is that the GWTA is requesting an additional \$50,000 above what is normally allocated.

Council discussed the NPO funding.

Councilwoman Matthews made a motion to allocate \$100,000 to the United Way for NPO funding. The motion was seconded by Councilman Gaylor and unanimously carried.

Mayor Ham stated that the Budget Presentation meeting would be held on Friday, May 26th at 9:00 AM in the Large Conference Room.

Employee Performance Awards. City Manager Salmon presented the following awards:

The Employee of the Quarter Award: Tara Johnson. Tara is always available to help everyone; from City of Goldsboro employees, no matter their job title, to the residents she talks to on a daily basis. Tara is very well-versed in all divisions of Public Works, and answers all types of questions, on a variety of topics. She is consistent every day, no matter the stress we are all under, and is an absolute asset to the City.

Tara has been with Public Works for over 10 years. She has always been the front-line person to speak to all customers, in person or on the phone; she is the main contact for all Public Works phone calls. Tara is well known by most vendors for Public Works and is always available to answer their wide variety of questions. She handles everyone in a friendly and tactful manner.

Tara goes above and beyond her expected job duties. She is the coordinator for all Public Works activities, including retirement parties, our annual Christmas party, and other fundraiser events. Tara always coordinates with other City employees that need to use the break room for City events, such as blood drives or classes for staff. While completing her work duties, she also attends online school (ECU) to complete her degree in business management, and is a great mom and spouse too!

Tara is a great friend to all that know her and is a very sincere and caring person. Tara’s exceptional customer and employee service reflect well on herself and the City of Goldsboro.

The Supervisor of the Quarter Award: Rick Davis. Rick Davis responded to a cross contaminate issue with a caustic soda chemical delivery at the Water Treatment Plant (WTP) on Feb 6, 2023. Due to his quick thinking, he was able to save the City money, time, and frustration.

When the regular shipment of Sodium Hydroxide (caustic soda) was being pumped into the bulk tank, the hose became clogged. Rick inspected the problem and directed his staff to disassemble all the piping to the bulk tank and to flush out the system and bulk tank. Everything left in the chemical tank was sent to the WTP mud basins to isolate it from the rest of the plant, and avoid any contaminates from reaching the drinking water. The first flush produced evidence of tank contamination, so staff continued to flush the bulk tank until all contaminates had been removed.

Due to Rick's swift response and supervision, there was a limited estimated loss of \$200 of diluted caustic soda and approximately 5,000 gallons of water to flush the system. If this contaminated chemical would have been introduced into the distribution system a significant amount of damage to the system as well as a monetary loss could have occurred.

Rick's professionalism, integrity and customer focus helped stop a bad situation from becoming worse. Rick’s outstanding efforts reflect well on himself and the City of Goldsboro.

Mayor and Councilmembers' Comments.
Councilman Batts had no comment.

Councilman Gaylor shared the following comments: It's a day late, but I don't think it is too late. A Happy Mother's Day to all those who are, were, wish they were, and hope to be one day, those mothers that are the cornerstone of our homes, our communities, and our families. Happy Mother's Day even a day late.

Councilwoman Matthews had no comment.

Councilwoman Jones shared the following comments: Congratulations to our young citizens that will be graduating from kindergarten, and middle school. Congratulations, it's been a hard year. I know the high school hasn't graduated yet, but congratulations to you too. I am looking forward to what you are going to become in this community. As we approach the holiday and there are going to be several activities and events, I ask that you be careful, be safe, be watchful and if you see something, say something.

Mayor Ham shared the following comments: Our manager mentioned the air show coming up this weekend and I wanted to add a couple of comments. This is a big event for Goldsboro and there are thousands of people that come here Saturday and Sunday and we put on our best face for those individuals. Seymour Johnson Air Force Base means so much to this city and to the people that live here. The families that come here with the airmen, and those that don't have families, who have family members visit them, come to Goldsboro and I hear so many good comments about Goldsboro. I was walking down the street the other day and there was this lady that had the trunk of her car raised and it looked like there was a lot of personal things in there. I said excuse me are you new to the city? She said, yeah, I'm moving here. I said good, let me welcome you to the city. We got into a conversation and her husband was sitting in the driver seat and she was looking for something. I said, can I help you and she said, well I'm looking for the water department, I want to turn my water on. I said well, it is just a half block down the street. She said, really, they told me it was out near LaGrange. I said where are you moving to and she said, LaGrange. I was trying to be helpful. I gave her the official welcome to the city and asked her to come back and do some shopping. I asked her where are you coming from, and she said, Iowa. I said why did you want to come here? She said she just wanted to get out of the snow and come down to a warmer climate. I gave her my card and told her if I could do anything for her to call me. This is a friendly town and we always try to work to make it more friendly.

From time to time, especially like tonight, you see us up here, we acknowledge appreciation to individuals and groups and professions and so forth. We do that on purpose, we do it to show our appreciation for the service that they rendered to individuals, to groups and to our city. We cannot overlook what these individuals and groups do to make Goldsboro a better place and I think I speak for all the members of this Council that when we have an opportunity to show our appreciation, we want to do it and we feel good about it. It's always appreciated. We also acknowledge a lot of special events like the Airshow, Armed Forces Day and Teachers Day. We do that because if we don't, the public has a tendency to forget about it. If you're not directly involved in one of those professions or of that event, you probably don't know about it or you don't take time to think about it, so it's our responsibility to not let that go unnoticed. It may sound a little repetitious and boring to some people, but I think it's incumbent upon us to keep ourselves apprised of what's going on and the public, so bear with us.

There being no further business, Mayor Ham adjourned the meeting at 7:41 p.m.
