CITY OF GOLDSBORO
AGENDA MEMORANDUM
MARCH 19, 2018 COUNCIL MEETING

SUBJECT: PUBLIC HEARING
Z-2-18 MC Morgan & Associates – West side of Cuyler Best
Road between Glenda's Drive and Oxford Boulevard

BACKGROUND: The applicant requests a zoning change from Office and
Institutional-1 to R-6 Residential Conditional District to
limit the use of the property to 80 apartment units.

The applicant has requested a waiver of the site plan
requirement at time of rezoning. If the rezoning is approved,
full development plans would have to be approved prior to
issuance of any building permits.

Frontage: 300 ft.

Depth: 900 ft.

Area: 6.2 Acres

Surrounding Zoning:	North:	Office & Institutional-1
	South:	Office & Institutional-1
	East:	Office & Institutional-1
	West:	R-9 Residential

Existing Use: The property is currently vacant farmland.

DISCUSSION: Proposed Use: As indicated previously, the requested R-6
Conditional District is requested to limit the use of the
property to 80 apartment units. Development plan approval
would be required separately.

Land Use Plan Recommendation: The City's adopted Plan
designates the property for Office and Institutional uses.

Engineering Comments: City water and sewer lines are not
available to the subject property at this time.

Development plans for Cuyler Springs (an elderly apartment complex) was approved for property approximately 1,000 ft. to the south at the corner of Oxford Boulevard.

RECOMMENDATION: No action necessary. Planning Commission will have a recommendation for the Council's meeting on April 2, 2018.

NOTICE OF CHANGE OF ZONE HEARING
BEFORE THE PLANNING COMMISSION AND CITY COUNCIL
TO CONSIDER AMENDMENTS TO THE GOLDSBORO ZONING CODE

Notice is hereby given that a public hearing will be held before the City Council and the Planning Commission of the City of Goldsboro, in the Council Chambers, upstairs in City Hall, 214 North Center Street, Goldsboro, North Carolina, at **7:00 p. m.** on **Monday, March 19, 2018.**

✓ Z-2-18 MC Morgan & Associates – West side of Cuyler Best Road between Glenda's Drive and Oxford Boulevard

The Wayne County Tax Identification No. is 3610-61-6566 (Part). The property has a frontage of 300 ft., a depth of 900 ft. and an area of approximately 6.2 acres. The present zoning classification is Office and Institutional-1. The proposed zoning classification is R-6 Residential Conditional District to limit the use of the property to 80 apartment units. Development plans would be approved separately prior to any permit issuance.

Z-3-18 Berkeley Realty Holdings – Northeast corner of Berkeley Boulevard and Langston Drive

The Wayne County Tax Identification Nos. are 3519-53-7434 and 8429. The property has a frontage of 200 ft. on Berkeley Boulevard, a frontage of 185 ft. on Langston Drive and a total area of approximately 0.85 acres. The present zoning classification is General Business Conditional District to allow construction of a multi-tenant commercial center. The proposed zoning classification is General Business Conditional District to add a car wash as an allowable use. Development plans would be approved separately prior to any permit issuance.

Z-4-18 E Park, LLC – South side of Langston Drive between Malloy Street and Berkeley Boulevard

The Wayne County Tax Identification No. is 3519-31-6570. The property has a frontage of 100 ft., a depth of 200 ft. and a total area of approximately 0.46 acres. The present zoning classification is Shopping Center. The proposed zoning classification is General Business.

The City Council of the City of Goldsboro may change the existing zoning classification of the entire area covered by the application or any part or parts of such area, to the classification requested, or to a higher classification or classifications without the necessity of withdrawal or modification of the application. Parties in interest and citizens shall have the opportunity to be heard and may obtain further information on the proposed change from the City of Goldsboro Department of Planning, City Hall Annex, 200 North Center Street, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

If you plan to attend and require an interpreter, please contact the City Manager's office at City Hall at least four (4) days prior to the hearing.

CITY OF GOLDSBORO

AGENDA MEMORANDUM

MARCH 19, 2018 COUNCIL MEETING

SUBJECT: PUBLIC HEARING
Z-3-18 Berkeley Realty Holdings – Northeast corner of
Berkeley Boulevard and Langston Drive

BACKGROUND: The applicant requests a rezoning to allow the addition of a car wash operation as an allowable use within the General Business Conditional District zone.

On March 6, 2017, Council approved a rezoning for the subject property, along with two additional adjacent lots to the north, from O&I-1 and R-16 to General Business Conditional District. At that time, the use for the property allowed for the construction of a “multi-tenant commercial center” with separate approval required for development plans.

Conceptual plans were displayed at time of rezoning which included a multi-tenant commercial building on three lots with access from both Berkeley Boulevard and Langston Drive. Only the two southern lots are now included within this request.

Frontage: 200 ft. (Berkeley Boulevard)
185 ft. (Langston Drive)

Area: 0.85 acres

Surrounding Zoning: North: Shopping Center
South: R-16 Residential
East: GBCD and O&I-1 CD
West: O&I-1 CD

Existing Use: Both lots are occupied by existing houses.

Proposed Use: As indicated, the applicant requests the addition of a car wash as an allowable use for the property.

Land Use Plan Recommendation: The City's adopted Land Use Plan designates this property for commercial development.

DISCUSSION:

The submitted site plan indicates a proposed 3,500 sq. ft. building placed parallel to Berkeley Boulevard with full driveway access from Langston Drive. An exit-only driveway is proposed along Berkeley Boulevard and will require approval from NCDOT. Driveway permits must be obtained prior to construction.

Hours of operation are being proposed at Monday thru Sunday 8:00am to 8:00pm with 4 employees expected to be associated with the proposed car wash.

Water and sewer lines are available to serve the property from Langston Drive and the property is not located within a special flood hazard area. Grading and drainage plans are under review and are subject to staff approval prior to issuance of a building permit.

The proposed one-bay automated car wash requires a total of 1 space per 2 employees, plus an area capable of stacking 2 cars per bay. The site plan shows 6 parking spaces along with 19 spaces dedicated as vacuuming stations. Adequate stacking of cars is available as vehicles will access the site from Langston Drive and travel west along the rear of the property to funnel into two travel lanes before accessing the one bay car wash. The applicant is requesting a modification of the interconnectivity requirement due to proposed traffic circulation for the site.

The submitted landscape plan indicates a 10 ft. Type A buffer along the northern property line and will contain combinations of Oaks, Cherries, Privet and Hollies.

A 20 ft. Type C buffer is required along the eastern property line adjacent to residentially-developed property. A 6 ft. wood privacy fence is being proposed along with supplemental landscaping to allow the reduction of the opaque buffer by 50%. The landscaping will consist of combination of Oaks, Cherries, Privet and Hollies.

An 8 ft. wide street yard is proposed along Berkeley Boulevard and Langston Drive. Street Trees and Vehicular Surface Buffer Shrubs will be installed along Langston Drive and street trees along Berkeley Boulevard.

Vehicular Surface Area plantings will include Eastern Redbuds and Dwarf Yaupon Hollies. These plants are shown interspersed as interior plantings within end aisles.

Five ft. sidewalks have been shown along Berkeley Boulevard and Langston Drive. Staff is working with the applicant to ensure interior sidewalks are provided where necessary.

The proposed dumpster location will be screened as required by the Unified Development Ordinance with gates for proper access to dumpster. The applicant is requesting a modification for the dumpster to be located within the Type A 10 ft. wide landscape buffer.

A lighting plan has been submitted for review and meets the requirements of the Unified Development Ordinance.

Proposed Building Elevations have been submitted. The exterior of the structure will consist of glass panels and a combination of split-face masonry block and stacked stone.

RECOMMENDATION: No action necessary. Planning Commission will have a recommendation for the Council's meeting on April 2, 2018.

CITY OF GOLDSBORO

AGENDA MEMORANDUM

MARCH 19, 2018 COUNCIL MEETING

SUBJECT: PUBLIC HEARING
Z-4-18 E Park, LLC – South side of Graves Drive between
Malloy Street and Berkeley Boulevard

BACKGROUND: The applicant requests a zoning change from Shopping
Center to General Business.

Frontage: 100 ft.

Depth: 200 ft.

Area: 0.46 Acres

Surrounding Zoning: North: General Business
South: General Business CD
East: General Business
West: General Business

Existing Use: The property is currently vacant.

Proposed Use: A Conditional District has not been
requested, therefore, no use for the property has to be
specified. The General Business zoning district would permit
a wide variety of commercial uses.

DISCUSSION: On March 5, 2018, Council approved a site plan for adjacent
property to the east (former Century Uniforms) for a catering
operation.

The developer requests the zoning change in order to allow
for more marketability in attracting an investor. Depending
on the use proposed and whether all UDO requirements can
be met, review and approval of development plans for the
site may be required.

RECOMMENDATION: No action necessary. Planning Commission will have a recommendation for the Council's meeting on April 2, 2018.

AGENDA MEMORANDUM

MARCH 19, 2018 COUNCIL MEETING

SUBJECT: PUBLIC HEARING
Street Closings

1. Hemlock Street – From Ellis Street to Terminus
2. Marion Street – From William Street to Terminus
3. Odell Street – From Annabelle Street to Terminus

BACKGROUND: On March 6, 2017, the City Council asked the staff to investigate closing a number of unimproved street sections within the City Limits.

The referenced street section has been identified on the attached maps indicating the length and right-of-way width of each.

DISCUSSION: The petitioned street closings have been forwarded to the Fire, Police, Engineering and Public Works Departments for their review. No objections to any of the closings have been submitted.

The Engineering Department has indicated that utility easements should be retained over those sections of Marion Street and Hemlock Street if those rights-of-way are closed.

If the street sections are closed, ownership of each right-of-way would be split equally between the adjoining property owners.

A Resolution of Intent was advertised in the newspaper for four consecutive weeks, each street section was posted on both ends and all adjacent property owners were notified of the public hearings by certified mail.

RECOMMENDATION: No action necessary. Planning Commission will have a recommendation for the Council's meeting on April 2, 2018.

CITY OF GOLDSBORO

AGENDA MEMORANDUM

MARCH 19, 2018 COUNCIL MEETING

SUBJECT: PUBLIC HEARING
Designation of Properties as "Historic Landmarks"

BACKGROUND: The City of Goldsboro's Historic District was certified by the National Park Service in 1985. Certification indicates that the district essentially meets National Register criteria and that locally designated historic landmarks may be eligible for federal or state historic preservation tax credits.

There are only two other such certified local districts in North Carolina including the Blount Street Historic District in Raleigh and Decatur-Hunter Historic District in Madison.

Landmark designation means the City recognizes a property as an important historic resource worthy of preservation.

The City's UDO includes procedures that must be followed in order to allow for the designation or establishment of Historic Landmarks as follows:

1. As a guide for the identification and evaluation of landmarks, the Commission shall, at the earliest possible time, consistent with the resources available to it, undertake an inventory of properties of historical, architectural, prehistorical and cultural significance within the planning jurisdiction of the City of Goldsboro.
2. An investigation and report describing the significance of the buildings, structures, features, sites or surroundings proposed for acquisition or landmark designation shall be prepared and approved by the Commission.
3. The State Historic Preservation Officer (SHPO) or designee shall make an analysis of and recommendations concerning the report and proposed landmark designation. All comments will be provided in writing and within thirty days of receiving the report. If such comments are not received within thirty days, the Commission and City Council shall be relieved of responsibility to consider such comments.
4. The Commission and the City Council shall hold a joint public hearing (or separate public hearings) on the proposed landmark ordinance in accordance with the procedures in Section 3.3 (Legislative Hearing Procedures).

5. The ordinance shall describe each property proposed for designation, the name or names of owners and those elements of the property that are integral to its historical, architectural or cultural significance.
6. For each building, structure, site or object proposed for designation, the ordinance shall require a waiting period, set forth in this Section, to be observed prior to its designation.
7. The City Council may adopt the ordinance as proposed, adopt the ordinance with amendments or reject the ordinance.
8. Upon adoption of the ordinance, the owner or owners of each landmark shall be sent written notification of such designation, insofar as reasonable diligence permits.
9. One copy of the ordinance and all amendments thereto shall be filed by the Commission in the office of the Register of Deeds of Wayne County. Each designated landmark shall be indexed according to the name of the owner(s) of the property in the grantee and grantor indexes in the register of deeds office. The Commission shall pay a reasonable fee for filing and indexing. A second copy of the ordinance and all amendments thereto shall be kept on file in the office of the City Clerk and be made available for public inspection at any reasonable time. A third copy of the ordinance and all amendments thereto shall be given to the City's Chief Inspector.
10. The fact that a building, structure, site, area or object has been designated a landmark shall be clearly indicated on all tax maps maintained by the County or City for such period as the designation remains in effect.
11. Upon the adoption of the landmarks ordinance or any amendment thereto, it shall be the duty of the Commission to give notice thereof to the Tax Supervisor of Wayne County. The designation and any recorded restrictions upon the property limiting its use for preservation purposes shall be considered by the tax supervisor in appraising it for tax purposes.

Downtown Goldsboro staff has been working with a developer interested in rehabilitating six historic buildings that are currently vacant and in need of significant improvement. The properties are:

1. 200 East Walnut Street
2. 204 East Walnut Street
3. 206 East Walnut Street
4. 106 South John Street
5. 139 West Walnut Street
6. 135 West Walnut Street

On November 20, 2017, the City Council authorized the Mayor to sign agreements detailing plans for identifying incentives to allow

the project to move forward. Included were certain expectations and assurances that are to be met regarding the performance of the developer. The anticipated investment by the developer will be approximately \$11 million and the project is anticipated to be completed by April, 2020.

As part of the rehabilitation package, the developer proposes to utilize Federal Historic Preservation Tax Credits. As indicated previously, locally designated historic landmarks may apply for and be eligible to receive these tax credits.

Staff, in consultation with the State Historic Preservation Office (SHPO), has assembled documentation for each property which can be utilized when determining whether or not a site should be designated as a Historic Landmark and has followed the enumerated procedures shown above.

At time of initial establishment of the Historic District structures were designated as either Contributing or Significant or Non-Contributing. Based on National Register standards, 71% of the structures within the District were deemed “contributing” or “significant” Only 29% of the structures were listed as “Non-Contributing”.

Contributing or Significant structures are those which:

- a. Are associated with events that have made a significant contribution to local, state or national history; or
- b. Are associated with the lives of significant persons; or
- c. Display distinct characteristics of a type, period or method construction; or
- d. Collectively represent a significant and distinguishable entity whose components may lack individual significance.

Non-Contributing structures are those which:

- a. Were constructed within the past 50 years and which lack exceptional historical or architectural significance as defined above for contributing structures; or
- b. Were constructed more than 50 years ago, but which lack historical or architectural significance as defined above for contributing structures; or
- c. Have lost any original architectural significance due to alterations; or
- d. Have lost any original historical or architectural significance as a result of being moved to a site which is incompatible with the structure.

200 East Walnut Street (National Bank of Goldsboro)

The former BB&T Building, which was constructed c. 1905, is a richly ornamented two-story masonry Neoclassical Revival-style building with a pedimented roof, denticulated cornice, round-arched windows on the second story and smooth-faced rusticated piers embellished with cartouches. It is deemed a **Significant Structure** within the Historic District and is included within *An Architectural Inventory, Goldsboro, NC* which indicates that, "Classic details mark this two-story buff brick building that was the National Bank of Goldsboro until Branch Banking and Trust took possession in the 1930's. Three bays wide and five bays long, the first floor entrance has been altered as have the west façade windows on this example of a 1900 Classical Revival commercial type building."

Originally constructed as the National Bank of Goldsboro, it was later purchased by BB&T, one of the first banks in the State of North Carolina to form branches. Alpheus P. Branch, Sr. was the founder of BB&T and was from nearby Wilson, NC. The building was renovated in 1958 to include a walk-up window.

One of the earliest four banks in Goldsboro, the National Bank's president was George A. Norwood, father of Charles S. Norwood, Sr., a noted historian of Wayne County.

The County of Wayne occupied this building for their Services on Aging program from 1985 to 2012. Currently owned by the City of Goldsboro.

According to SHPO, despite infilling of the first-story window openings on the John Street façade and partial infilling of the main entrance, the site has the requisite special significance for local landmark designation.

204 East Walnut Street (Adjacent on the east to National Bank of Goldsboro)

The property is a late-nineteenth century, two-story, masonry, commercial building with a decorative brick cornice and segmental-arched four-over-one double-hung sash windows at the upper story. The original triangular parapet was either removed or destroyed by Hurricane Hazel in 1954.

The structure was deemed a **Significant Structure** within the Historic District and is included within *An Architectural Inventory, Goldsboro, NC* which indicates that the building was constructed in 1912. It has a running brick pattern with details over the second floor wood windows. The first floor storefront was altered by 1960.

Sanborn maps and an additional photograph reveal that this location was utilized as Goldsboro's first firehouse until 1901. Since then the building has served a variety of purposes including a combination grocery store and beer bottling plant, a sewing machine plant and, as shown in a found advertisement, was the location of "Goldsboro's First exclusive Music and Sports Store." The building was most recently utilized as office space by the County of Wayne until it was abandoned in 2016.

206 East Walnut Street (Williams Paint and Supply Company)

This location is a late-nineteenth century, two-story, masonry, commercial building with a decorative brick cornice, Carrera glass tile transom above the recessed first-story entrance and segmental-arched four-over-four double-hung sash windows at the upper story. The structure was deemed a **Significant Structure** within the Historic District and is included within *An Architectural Inventory, Goldsboro, NC* which indicates that the two-story brick commercial structure displays decorative brickwork at the second floor and cornice line. The Carrera glass tile transom still exists.

An 1885 Sanborn map indicates the property as a saloon but by the 1891 Sanborn Map, the property is shown as a jewelry and gentleman's store. By 1924 the property was occupied by Williams Paint and Supply Company and, most recently, was utilized for offices by the County of Wayne before its abandonment in the late 2000's. It is currently owned by the City of Goldsboro.

While not particularly unique, this building is a good example of the simple architectural commercial displays of the late 1800's.

106 South John Street (Adjacent on the south to National Bank of Goldsboro)

The two-story buff colored brick structure with a concrete beltcourse, sills and brick details has proven to be an enigma when investigating its origins. Renovated in the 1950-60's in order to mimic the scale and style of the adjoining bank building it is considered a **Non-Contributing Structure** within the Historic District.

Sanborn Maps in both 1885 and 1891 indicate a freestanding residence at this location. The 1924 Sanborn Map indicates a structure utilizing the current footprint as a bus station and waiting room. It appears that through extensive transformations the building was connected to the adjoining National Bank and attempted to mimic its scale and style.

As far back as can be traced, the property was originally owned by Captain J. B. Edgerton. Many of his properties and/or buildings are considered historically significant. His personal residence was originally just south on John Street beside First Baptist Church in the location of their current fellowship hall.

While the current building appears unremarkable, the site may contain archaeological resources associated with nineteenth century businesses. During rehabilitation, care will need to be taken to avoid inadvertent damage or destruction of those resources during any ground disturbing activities.

Unfortunately, staff was unable to locate any photographs of the original building.

139 West Walnut Street (Wachovia Bank Building)

The property is considered a **Significant Structure** and is included within An Architectural Inventory, Goldsboro, NC which indicates the following:

“At ten stories, the tallest structure in Goldsboro, the Wachovia Bank Building was constructed in 1922. It was built for the Wayne National Bank, which merged with Wachovia in 1955. The first two floors were constructed of stone; the third through tenth floors are of brick. A stone beltcourse marks the separation between the ninth and tenth floors. In the standard commercial style with classical details, the building has bold two-story arched windows on the first floor that are its strongest visual accent.”

The building is 8 bays wide on the west façade (James Street) and 3 bays wide on the south façade (Walnut Street). Topped by bracketed molding in a feather pattern, the arched windows have been filled in with cinder blocks. No other material changes have been made to the building.

The property is considered significant for two reasons—the architect who designed the building as well as the family history involved in opening and operating the bank.

The original structure on the property served as the Bank of New Hanover, a branch of the Wilmington Bank of the same name. E. B. Borden, one of Wayne County’s most prominent early citizens founded the bank and was president from its beginning until his death at which time he was succeeded by his son, F. K. Borden, Sr. The first original structure was completely destroyed by fire in November, 1884. Upon changing the name to Wayne National Bank, the early structure was razed and the current building constructed in 1922.

Being commissioned by local bankers, noted English Architect, Alfred Charles Bossom (1881-1965) designed the plans for the Wayne National Bank. The structure is one of only five buildings in North Carolina designed by Bossom.

A publication entitled “Postcards of Old Wayne County, NC” by Sarah Manning Pope and Emily Newman Weil and published by the Wayne County Historical Association in 1995 includes a photograph of the building and states that: *“The building was designed by Alfred C. Bossom of England who was widely known in the United States as a leading bank architect. It is believed that Goldsboro may have the only bank by Bossom still standing in North Carolina.”*

According to History of Wayne County, North Carolina, *“E. B. Borden, one of Wayne County’s most prominent early citizens founded the first bank in Goldsboro which was originally the Bank of New Hanover, a branch of the Wilmington Bank of the same name in 1870. The original New Hanover Bank building was two stories high with a dome-shaped ceiling. The name was changed to Wayne National Bank and the original building was razed and the current building constructed in 1922. Mr. Borden was president of the bank from its beginning until his death when he was succeeded by his son, F. K. Borden, Sr. The Depression forced the bank into receivership on December 27, 1931. Later, the Wayne National Bank merged with Wachovia.”*

135 West Walnut Street (Wachovia Bank Building Annex)

The structure is designated as a **Contributing Structure** within the Goldsboro Historic District. Included within *An Architectural Inventory, Goldsboro, NC*, the author states that the current structure (which was covered over with buff-colored brick) is a good example of infill. It is likely that the original stone detail was destroyed by Hurricane Hazel in the late 1950's and a more modern update was ultimately fashioned.

This two-story building was originally constructed of stone and specifically designed as an architecturally matching annex to the adjacent Wayne National Bank at 139 West Walnut Street which was constructed in 1922. Earliest found photograph shows the building with a matching belt course and a stone balustrade at the roofline. This photograph, most likely ca. 1940's after the adjacent bank was forced into receivership in 1931, shows the unit being used as a portion of "Charles Stores Co." The bottom floor is covered by the store's one-piece awning.

While this structure does not have the provenance of the adjacent Wayne National Bank Building, it is certainly significant in that it was utilized by the Bank founded by E. B. Borden, one of Wayne County's most prominent early citizens. Originally it contained historic details to mimic the adjacent structure which was designed by Alfred C. Bossom of England.

Although the updated façade is not the most architecturally significant or ornate, it does support the rhythm of the time in which it was updated.

Prior to the public hearing, a Notice was published in the newspaper for two successive weeks in accordance with State law. All owners of properties within 100 ft. of each subject site were notified of the upcoming public hearing by mail. In addition, each site was posted with a sign indicating that a public hearing was scheduled.

The Historic District Commission, on March 13, 2018, held a public hearing and recommended designation of all six properties as Historic Landmarks.

RECOMMENDATION: After the public hearing, adopt an Ordinance designating the above referenced properties as Historic Landmarks.

CITY OF GOLDSBORO
AGENDA MEMORANDUM
MARCH 19, 2018 COUNCIL MEETING

SUBJECT: Sale of Real Property, Tax ID #3509-23-2855, 807 Nile Street as recorded in the Wayne County Registry.

BACKGROUND: On February 16, 2018, John Butler offered to pay the City of Goldsboro the sum of \$13,625 for 807 Nile Street and made a bid deposit of \$681.25.

The City of Goldsboro and County of Wayne acquired this property in June 2017. At the March 6, 2018 meeting, the County Commissioners agreed to convey their share of this property to the City of Goldsboro with the stipulation that the City and County share equally the expenses.

DISCUSSION: Standard property will be offered for sale in accordance with the provisions of the G.S. 160A-266, provided however, the minimum sales price will be at least fifty percent (50%) of the property's tax value. The property's tax value for both properties is \$27,250. An advertisement appeared in the Goldsboro News-Argus on February 22, 2018. The ten (10) day upset bid period expired on March 5, 2018, with no counter-offers received after this bid.

The buyer will pay the attorney fees associated with transferring the deed. The City and County's portion from the sale of these properties would be \$6,812.50 each minus expenses.

RECOMMENDATION: By motion, accept the offer from John Butler in the amount of \$13,625 and authorize the Mayor and City Clerk to execute a deed on behalf of the City of Goldsboro and County of Wayne.

CITY OF GOLDSBORO
AGENDA MEMORANDUM
MARCH 19, 2018 COUNCIL MEETING

SUBJECT: Audit Services for Fiscal Year Ending June 30, 2017 - Amended

BACKGROUND: The General Statutes of the State of North Carolina require that the City of Goldsboro undertake an independent audit of its financial records on an annual basis. The Audit examines, by fund, all categories of the City's revenues and expenditures. It also illustrates revenues and expenditures by reporting the amounts on the original budget plus the final budget compared to the amounts that were actually received and spent throughout the Fiscal Year.

DISCUSSION: The City requested an extension on its June 30, 2017 audit with the LGC and amended its contract to reflect this time extension to March 10, 2018. The extension was due to Carr, Riggs & Ingram undergoing an extensive process to enhance the audit quality to better service the City. This process includes more specialized guidance within the Single Audit area, compliance with federal and state laws and updating the City's statements with the new GASB auditing standards. This event is believed to be a one-time occurrence.

RECOMMENDATION: It is recommended that the Council, by motion, amend the contract for the auditing services for the Fiscal Year ending June 30, 2017 to Carr, Riggs and Ingram, LLC. for its completion date of March 10, 2018.

CITY OF GOLDSBORO
AGENDA MEMORANDUM
MARCH 19, 2018 COUNCIL MEETING

SUBJECT: Repainting of Center/Holly Street Water Storage Tank
FB No. 2018-001 – Rejection of All Bids

BACKGROUND: Three (3) sealed bids were received for the Center/Holly Street Water Tank Project on Friday, February 9, 2018, as follows:

<u>Name of Bidder</u>	<u>Amount of Bid</u>
Utility Service Co., Inc. Perry, GA	\$1,035,000.00
Olympic Enterprises, Inc. Hubert, NC	\$1,046,500.00
D & M Painting Corp. Washington, PA	\$1,268,000.00

DISCUSSION: Staff has reviewed the bids for this project and checked for accuracy. Due to the possibility of lead content in the existing paint and higher than estimated cost for this project staff recommends rejecting all bids and initiating additional testing for evidence and location of lead content. Staff will re-bid the repainting project based on test results.

RECOMMENDATION: By motion, the City Council rejects all bids submitted on February 9, 2018 for Repainting of Center/Holly Street Water Storage Tank due to higher than estimated cost and the need for additional testing for lead content.

CITY OF GOLDSBORO
AGNEDA MEMORANDUM
MARCH 19, 2018
COUNCIL MEETING

SUBJECT: Ordinance Amendment – “Business Regulations”

BACKGROUND: City of Goldsboro Code of Ordinances Title XI Chapter 114. Vehicles for Hire. contains regulations regarding vehicles hired for transportation.

Several sections have out-of-date procedures regarding the role of the Police Department in regards to certifying and inspecting vehicles for hire.

Section 114.02 Police Department to Enforce Provisions. outlines the authority of the Police Department to enforce the provisions of the Chapter; the State Bureau of Investigation requires the City ordinance to explicitly reference North Carolina General Statute 160A-304 which outlines provisions for the regulation of taxis when a criminal records check is required on applicants (Section 114.38).

Section 114.37 Examination of Applicant; Current State Motor Vehicle Operators Chauffeur’s Permit Required. lists requirements for the applicant to pass a city knowledge test and show proof of a current chauffer’s permit issued by the state; however, the city knowledge test is no longer required and the state no longer issues chauffer’s permits.

Section 114.38 Police Investigation of Applicant. authorizes the Police Department to conduct an investigation of each applicant. In accordance with North Carolina General Statute 160A-304, in order for the Goldsboro Police Department to run a criminal history records check on applicants seeking a taxicab driver license, a local ordinance is required authorizing the Police Department to conduct such checks, including an authorization to use Federal Bureau of Investigation (FBI) records for this purpose and that applicants requiring a criminal history records check must be fingerprinted.

Section 114.39 Consideration of Application. Outlines considerations for the approval or rejection of applications; however, does not specify disqualifying criteria, as outlined in North Carolina General Statute 160A-304.

Section 114.67 Manifests. outlines the requirement of the taxicab company to submit a monthly report with the Police Department. The above procedures are no longer required.

Section 114.68 Holder’s Records and Reports. (B) requires the taxicab driver to submit an annual report to the City Council through the Police Department, which is no longer a requirement. North Carolina General Statute 160A-304 requires the holder of a franchise to submit a quarterly report to City Council with the average number of taxis in operation during the preceding quarter.

DISCUSSION:

Based on the above, staff feels it necessary to update the language of the City Ordinance to reflect the current requirements regarding vehicles for hire and the role of the Police Department in such matters.

The attached amendment would provide current Police Department services in regards to the "Business Regulations".

RECOMMENDATION:

It is recommended that Council, by motion accept the staff's recommendation and adopt the amendment changing the "Business Regulations" as indicated above.

- (E) Noncitizenship in the United States;
- (F) Habitual violation of traffic laws or ordinances
- (G) Conviction of any crime(s) that require(d) the person to register with a sex offender registry.

5. Amend Sec. 114.67 Manifests. by deleting and rewriting as follows:

~~Every driver shall maintain a daily manifest upon which shall be recorded all trips made each day, showing time and place of origin and destination of each trip and amount of fare and all such completed manifests shall be returned to the owner by the driver at the conclusion of his tour of duty. The forms for each manifest shall be furnished to the driver by the owner and shall be of a character approved by the Police Department. Every holder of a certificate of public convenience and necessity shall retain and preserve all drivers' manifests in a safe and orderly fashion for at least one year following the year for which the manifests were completed, and upon request such daily manifests shall be available to the Police Department. At the conclusion of each month, a monthly report shall be completed by each holder of a certification upon a form provided by the Police Department. This form shall request data such as the number of trips made during the month, miles driven, gasoline consumed, the number of in-city versus out-city calls, the number of accidents both chargeable and nonchargeable, the nature of any major problems encountered during the month and such other information as may be deemed desirable by the Police Department.~~

Every driver shall maintain a daily manifest upon which shall be recorded all trips made each day, showing time and place of origin and destination of each trip and amount of fare and all such completed manifests shall be returned to the owner by the driver at the conclusion of his tour of duty. The forms for each manifest shall be furnished to the driver by the owner and shall be of a character approved by the Police Department. CITY OF GOLDSBORO
AGNEDA MEMORANDUM
MARCH 19, 2018
COUNCIL MEETING

SUBJECT: Ordinance Amendment – “Alcoholic Beverage Permits”

BACKGROUND: City of Goldsboro Code of Ordinances Title XI Chapter 115. Alcoholic Beverage Permits. contains regulations regarding the issuing of permits for the sale of alcoholic beverages.

In order for the Goldsboro Police Department to run a criminal history records check on applicants seeking an ABC permit, the North Carolina State Bureau of Investigation requires a local ordinance authorizing the Police Department to conduct such checks.

The North Carolina State Bureau of Investigation specifies that the ordinance shall include a clearly defined purpose of the ordinance.

DISCUSSION: Based on the above, staff feels it necessary to update the language of the City Ordinance to reflect the current requirements regarding alcoholic beverage permits and the role of the Police Department in such matters.

The attached amendment would provide current Police Department services in regards to the “Business Regulations”.

RECOMMENDATION: It is recommended that Council, by motion accept the staff’s recommendation and adopt the amendment changing the “Business Regulations” as indicated above.

CITY OF GOLDSBORO
AGENDA MEMORANDUM
MARCH 18, 2018 COUNCIL MEETING

SUBJECT: Funding and Authorization for Market and Feasibility Study

BACKGROUND: In an effort to fulfill the City's agreement to secure a hotel on the reserved acres adjacent to the Maxwell Center, the City, County, and Wayne County Tourism Development Authority are seeking the specialized services of HVS, an internationally recognized leader in hospitality consulting and research, to conduct a market and feasibility study to determine the market's ability to support a hotel. The study will include a demand analysis for the Maxwell Center, forecasting occupancy and average daily rates, projected income and expense, meeting planner survey study, recommendation of hotel facilities, and a feasibility analysis for potential investors that compares potential cash flows to an assumed range of development costs.

Deliverables will include the proposal by HVS outlining the objectives and scope of the assignment, estimate of timeline, schedule of professional fees, and retainer agreement. The total cost of the study is \$32,000.00. The Wayne County Tourism Development Authority will fund \$12,800 of these fees. The remaining balance of the cost will be shared 50/50 between the City and County at \$9,600 each.

RECOMMENDATION: By motion:

1. Adopt the attached resolution authorize the City Manager and City Clerk to enter into a contract with HVS for the Market and Feasibility Study for a Proposed Hotel and Maxwell Center Analysis.
2. Adopt the attached budget ordinance appropriating \$9,600 from the unassigned fund balance of the General Fund.

ORDINANCE NO. 2018-14

AN ORDINANCE AMENDING THE BUDGET ORDINANCE FOR THE
CITY OF GOLDSBORO FOR THE 2017-18 FISCAL YEAR

WHEREAS, the City of Goldsboro and County of Wayne wishes to enter into a contract with HVS for a market and feasibility study for a hotel adjacent to the Maxwell Center; and

WHEREAS, HVS has been selected to perform this study at a cost of \$32,000; and

WHEREAS, the City's share of the fee with HVS is \$9,600; and

WHEREAS, since the current fiscal year's budget does not contain sufficient monies to meet these obligations, the City of Goldsboro needs to appropriate \$9,600 from the General Fund.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Goldsboro that the Budget Ordinance for the Fiscal Year 2017-18 be amended by:

1. Decreasing the Unassigned Fund Balance of the General Fund in the amount of \$9,600.
2. Increasing the line item entitled "Consultant Fees" (11-1012-1991) in the City Manager's budget of the General Fund in the amount of \$9,600.
3. This Ordinance shall be in full force and effect from and after the 19th day of March 2018.

Human Resources Management Department

MONTHLY REPORT – FEBRUARY 2018

Prepared by: Pamela C. Leake

The Human Resources Department posted 20 job vacancies and processed 247 applications. 235 notices were sent to applicants not selected for an interview and 21 notices were sent to applicants interviewed but not selected for hire. We welcomed four new hires in February: two full-time employees – **Kassandra Dukes (Police Officer)** and **Roger Peeden (Equipment Operator – Public Works)** and two part-time – **Crystal Jensen (Patron/Administrative Services Assistant, Paramount)** and **Teisha Rich (Recreation Aide, Parks and Recreation)**. There were six resignations: three full-time - **Matthew Marino (Police Officer)**, **Joshua Pomeroy (Park Technician, Parks and Recreation)**, and **John Washington (Police Officer)**, and three part-time – **John Bergman (Custodian, Paramount)**; **Rebecca Flores (Box Office Attendant, Paramount)**, and **Charlotte Williams (Building Attendant, Paramount)**. There was one retirement: **Don Collins (Fire Captain, Fire Department)**. Human Resources Staff is preparing for the Fire Chief's assessment in March. Staff also attended job fairs at NC State and Fayetteville State University on February 16, 21, and 28. **Total employment: 547** (457 full time and 90 part-time).

The Wellness Committee will launch a Wellness Campaign this year and will focus on healthy habits at work. The idea is to make it as convenient as possible for employees to keep moving while at work. The committee will meet in March to discuss this initiative. The target date for the Annual Health and Wellness Fair is October 4, 2018. The new benefits booklet is still under revision.

The Safety Coordinator attended the NCALGESO Semi-Annual Conference on February 1-2 and the Eastern Safety and Health School Committee meeting on February 26. Monthly fire inspections were conducted, and surveillance video signs were placed at the W.A. Foster Center. An accident investigation took place at the Wastewater Facility, and online training for Active Shooter training was completed for LocalGovU. The Safety Awards applications were completed and submitted to the Department of Labor. The Safety Review Committee did not meet this month. Requests were sent to department heads to recommend new members for the current year. Active shooter training was held February 28 at the Wastewater Plant and Water Treatment Plant.

This month's health beat was **Hearing Conservation**. 160 employees participated. 25 employees attended CPR Training. There were 58 clinic visits this month.

- Due to lack of a quorum, the scheduled Community Affairs Commission meeting for Tuesday, February 13, 2018 was canceled. The next scheduled meeting is Tuesday, April 10, 2018 at 6:00pm under the newly combined Commission of Community Relations and Development Commission.
- Community Relations received five (5) housing complaints and two (2) consumer complaints. The alleged violations by citizens under the Minimum Housing/Landlord Tenant Laws included: two (2) alleged improper eviction notices; one (1) complaint against landlord for inadequate sewage/plumbing of rental properties, two (2) structural and electrical issues of rental properties; and two (2) consumer complaints related to lack of food and employment. All complaints were submitted through the 311 GIS system or to the appropriate City Department for resolution or designated community/state resources.
- Dissemination of the City of Goldsboro 2018 Summer Youth Employment Initiative Program launched mid December 2017. The process for recruiting SYEI Applications for youth employment and worksite designation officially opened January 9, 2018 until February 9, 2018. Three Mandatory Information Sessions were held at WCC (January 9th, 11th, and 30th) for the upcoming program year. The number of youth that attended one of the three Mandatory Information Sessions was 130.

Based on HR Department's NEOGOV database, the number of hits or views of the Summer Youth Employment job positing on the City's Job Opportunities Page from Jan. 9th – Feb. 9th was 961. Since, December 18th over 80 paper applications have been picked up from the Department. The number of views on the Department's webpage since the mid December 2017 release of the SYEI program information until February 9th has been 1,253. It should be noted that last fiscal cycle during the same timeframe the number of views to the Department's webpage was 506 this is a 40% increase. The program has received 74 applications (16 online and 58 paper).

The Department anticipates going before City Council on March 5th to present the first Data Report for the SYEI program. To request relaxing the income requirement for eligibility with LMI youth given high priority still and to reopen the application period for an additional three weeks.

- The Department facilitated the City, County, and SJAFB's Annual Interfaith Breakfast on Thursday, February 15, 2018 at the Goldsboro Event Center. The theme for the Interfaith Breakfast was, "Where Do We Go from Here – Growing Goldsboro/Wayne County Together". Over 100 guest attended the event. The three speakers were Apostle Edwin Von Newsome, Impact Church Goldsboro; Pastor John Howard, The First Pentecostal Holiness Church; and Dr. Qasim Sidiqui Mohammad Iman, Islamic Center of Goldsboro each delivered a five-minute speech on the theme.
- The Goldsboro Mayor's Youth Council (GYC) met on Wednesday, February 7th and Wednesday February 21st at 7:00pm each day. On Wednesday, February 14th, GYC members went to Eagle Pointe Assisting Living Facility to share Valentines with the senior residents. On Saturday, February 24th, GYC members volunteered at First Christian Church for the Last Saturday Supper. They made sandwiches and distributed supper to the homeless. GYC members on February 28th Co-sponsored Dillard Middle School's Performing Arts – "A Dinner and a Show" black history event at the Goldsboro Event Center. Over 90 guest attended the event to watch the students perform.

Information Technology

Monthly Report – February 2018

Prepared by: Tyler Mooring

- Upgraded and installed new computers, monitors, and UPS systems at GWTA. Setup QuickBooks and started planning for server and financial software upgrades.
- Implemented a gang validation feature in the software SPEDE which allows police officers to verify a suspect's gang affiliation.
- Took aerial photos of the Maxwell Center with the drone to show completed building from different angles and promote the site.
- Filmed and photographed a large meter replacement at Wayne UNC Health Care. Recorded aerial video and photographs using our drone. Video and photographs will be used to give the public insight into the meter replacement process going on around town.
- Set up accounts on social media platforms for the Goldsboro Youth Council. This will allow the Goldsboro Youth Council to be recognized throughout the community and will highlight the positive things they do in Goldsboro.
- Replaced link balancer for main server room. This was a warranty claim.
- Reviewed plans for the Goldsboro Event Center sound system.
- Worked with a local vendor to build a solution using the existing infrastructure and additional equipment, including wireless microphones, to improve the quality of sound at the facility.
- Installed the Redzone storage vault for the robots used to inspect pipes. The device was returned under a warranty claim and has been repaired and is functioning as expected.
- Repaired HVAC controls in City Hall
- Installed additional network drops for the Water Reclamation Facility to accommodate additional phones. Also, installed cables for wireless and IP cameras.
- Updated Beak Week sites to the NC Poultry Festival.

During the month of February, the Planning staff reviewed and signed off on all commercial and residential building and sign permits. Staff continues to prepare for upcoming meetings and has overseen contracted projects for the MTP Update, a marketing contract for GWTA and landscaping maintenance for Welcome to Goldsboro signs. On-going projects include tree and stump removal, preparation of transportation-related documents and preparation of case reports. Work has continued on having case files scanned into the City's system. The City received 16 hours of Community Service work. Code Enforcement is now issuing \$25.00 parking violation tickets within the downtown area or upon notification elsewhere in the City. During the month of February, 12 tickets were issued. Five tickets were paid in February. Staff, along with IT, will be working towards having unpaid tickets linked to DMV in order to require payment prior to issuance of a yearly license.

Travel & Tourism Department
Monthly Report – February 2018
Prepared by: Ashlin Glatthar

- ♣ 115 inquiries were fulfilled for the month of February by the TTO, 123 incoming phone calls, and 47 visitors to the office.
- ♣ Total hotel revenue generated in January was \$1,153,455, which is down -33.5% YOY. Feb. earnings not released yet.
- ♣ For the month, TTO Facebook page has had 19 new page likes. Posts have reached over 30,000 people with an audience that is 60% non-local and 40% local. Instagram page has 6 new followers. Twitter page has gained 8 new followers. Radio advertisements' impressions exceeded 5,500 for regional listeners.
- ♣ On February 2, Ashlin met with Duffy Healy along with Erin from the Downtown Development office about putting together a “look book” that residents, visitors, and potential investors can enjoy.
- ♣ Ashlin continues to work with the Strategic Planning Committee to develop the objectives and initiatives of the plan.
- ♣ Ashlin presented to Three Eagles Rotary Club and Sunrise Kiwanis Club about the TTO’s mission and vision.
- ♣ Ashlin held two conference calls with a content sourcing company called Crowd Riff, which uses innovative software to source and store pictures from hashtags and geolocation technology embedded in social media platforms. It provides a way to see how people are experiencing Goldsboro-Wayne County’s finest dining, attractions, and amenities, and then link those photos to our website, use them to project onto walls at events or visitor’s centers, and all city departments can use it to source content for their postings and printed promotional materials. It’s an expensive subscription, but one the city would benefit from immensely.
- ♣ Patty Graham with Wayne United met with Ashlin to discuss Taste of Wayne. Ashlin discussed idea to grow TOW to be the kickoff event to ENC Restaurant week. Ashlin called the producers of Raleigh Restaurant Week to pick their brain and discuss possible partnership.
- ♣ Ashlin continues to work with NC Poultry Festival in growing the event for 2018 and creating a non-prof organization for it.

CITY OF GOLDSBORO

AGENDA MEMORANDUM

MARCH 19, 2018 COUNCIL MEETING

SUBJECT: CU-1-18 SWR Properties, LLC - North side of Patetown Road
between Industry Court and North William Street

BACKGROUND: Applicant requests a Conditional Use Permit to allow the
construction and operation of a concrete business.

Frontage: 730.75 ft. (Patetown Road)
750.83 ft. (Industry Court)

Area: 11.9 acres

Zone: I-2 General Industry

A concrete business is permitted within the I-2 zoning
district after the issuance of a Conditional Use Permit
approved by City Council.

The site was formerly occupied by Americal Corporation and
was purchased by the applicant in 2004.

DISCUSSION: The site is occupied by a 52,000 sq. ft. masonry block, brick
and metal commercial building divided into individual
tenant spaces for lease. Uses within the building include a
restaurant, nail spa, electrical supply and hardware
company.

The applicant now proposes to locate a concrete plant
directly behind the main commercial building.

Number of employees: 11

Hours of Operation: 7:30 a.m. - 5:30 p.m.
(Monday-Saturday)

Access: While there is existing access to the site through two
curb cuts on Patetown Road, the applicant proposes that the
main access to the concrete business will be provided
through a 20 ft. wide gated asphalt driveway to the site off
Industry Court.

Parking: Parking is based on 1 space per 2 employees and 1
space for each vehicle stored on site. Sufficient paved
parking exists at the rear of the building for employees of the

concrete business as well as the 3 vehicles that are anticipated to be stored on the site.

Site is subject to stormwater and drainage regulations as required by the City Engineering Department.

The submitted site plan shows a proposed 14 ft. by 14 ft. office building located adjacent to a 62.94 ft. tall concrete silo, belt conveyor and batch hopper for transporting aggregates for cement production.

According to the City's Unified Development Code, any structure exceeding 50 ft. in height in a non-residential district shall be setback from the adjoining property lines a minimum distance of 150% of the structure's height. Based on the height of the concrete silo (62.94 ft.) a minimum setback of 94.5 ft. from each property line is required. The site plan has been revised to reflect this distance.

An existing 6 ft. tall chain-link fence with barbed wire encloses the site. Applicant will install privacy slats within the existing fence to meet this requirement.

Street trees are shown along both Patetown Road and Industry Court. Additional landscaping is shown along the western property line and Industry Court.

The City's UDO requires that a concrete plant may not be located less than 1,000 ft. from residentially zoned or developed property. Residentially-zoned property exists immediately to the southeast across Patetown Road, as well as to the north and west. A modification of the 1,000 ft. requirement will be necessary.

At the public hearing held on February 19, 2018, no one spoke either for or against the request.

At their meeting held on February 26, 2018, the Planning Commission recommended approval of the request with the distance modification from residential property.

Council, at their meeting on March 5, 2018, deferred action on this matter.

RECOMMENDATION:

By motion, accept the recommendation of the Planning Commission and:

1. Adopt an Order approving a Conditional Use Permit to allow the operation of a concrete business; and
2. Approve the submitted plans detailing the operation with a modification of the distance requirement from residentially zoned or developed property and subject to approval of stormwater and drainage plans by the City's Engineering Department.

CITY OF GOLDSBORO
ORDER APPROVING A CONDITIONAL USE PERMIT

The City Council of the City of Goldsboro, North Carolina, having held a public hearing on February 19, 2018 to consider Conditional Use Permit application number:

CU-1-18 SWR Properties, LLC – North side of Patetown Road between
Industry Court and North William Street

to allow the operation of a **concrete plant**, makes the following findings of fact.

FINDINGS OF FACT

The City Council makes the CONCLUSION that the proposed use **does** satisfy the general conditions imposed on the Council in its deliberations for issuing a Conditional Use Permit under Section 5.5 Supplemental Use Regulations (Community Sensitive Heavy Industrial Uses) as follows:

1. The entire area of the site shall be enclosed by a six-ft. high opaque fence set back one hundred feet from any public right-of-way or residentially developed or zoned property and/or 50 ft. from any other adjacent property.

Applicant will install slats within the existing 6 ft. tall chain-link fence.

2. The yard area between the fence and the property line, not used for parking, shall be planted with grass and have landscaping composed of large trees spaced not more than 40 ft. apart and not less than one row of shrubs thirty inches in height, spaced so that they will form a continuous visual screen six ft. in height within three growing seasons.

Applicant indicates street trees along both Patetown Road and Industry Court as well as additional landscaping along the western property line and Industry Court.

3. No loading or unloading of materials shall occur outside of the fenced area.
4. A statement shall be submitted with the plans indicating whether any manufacturing or processing operation will create smoke, offensive odor, dust, noise, fumes or vibrations beyond the lot lines of the proposed use. If one or more of such conditions exist, the developer shall explain what measures will be taken to mitigate such conditions to acceptable levels.

Applicant has submitted the required statement.

5. The use shall be located a minimum of 1,000 ft. from any residentially developed or zoned property. The 1,000 ft. separation distance shall be measured in a straight line from property line to property line, with no consideration as to intervening structures, roads or landforms.

The subject property is immediately adjacent to residentially zoned property to the south and west. Conditional Use Approval includes a modification of that requirement.

Upon motion made by Councilmember _____ and seconded by Councilmember _____, the Council accepted the recommendation of the Planning Commission and approved the applicant's request for a Conditional Use Permit to allow the development and operation of a concrete plant.

Therefore, because the City Council concludes that all of the general conditions precedent to the issuance of a CONDITIONAL USE PERMIT have **BEEN** satisfied, IT IS ORDERED that the application for the issuance of a CONDITIONAL USE PERMIT be **APPROVED**.

Thus ordered this _____ day of _____, 2018.

Notable ShotSpotter Cases

March 28, 2017: Officers received a ShotSpotter alert indicating shots fired at Olivia Lane and East End Circle. Evidence collected at the scene along with Tsunami video footage led to the arrest of four suspects. Charges include AWDWIK, Possession of a Stolen Firearm, and Discharging a Weapon into an Occupied Dwelling.

June 17, 2017: Officers received a ShotSpotter alert indicating shots fired in the 900 block of South Slocumb Street. Officers arrived in the area and observed a vehicle leaving at a high rate of speed and followed the vehicle to the hospital. The passenger in the vehicle had been shot and one suspect was later arrested and charged with AWDWIKISI and Possession of a Firearm by a Convicted Felon.

September 24, 2017: Officers received a ShotSpotter alert indicating shots fired in the 1000 block of Day Circle. Officers arrived in the area but did not locate any victims or damage at that time. The following day, GSU Officers went back the scene and conducted a canvass of the area. Information gather at the scene along with a Crime Stoppers tip led to the arrest of a suspect who was charged with Discharging a Firearm into Occupied Property and Injury to Real Property.

January 18, 2018: Officers received a ShotSpotter alert indicating shots fired in the 1700 block of East Holly Street. Officers arrived in the area and located a victim and two subjects walking nearby. One subject was later arrested and charged with Possession of a Firearm by a Convicted Felon and Carrying a Concealed Weapon. Investigation continues, and more charges are possible.

January 19, 2018: Officers received a ShotSpotter alert indicating shots fired in the 1700 block of South Slocumb Street. Officers arrived in the area and observed a vehicle with multiple occupants leaving the area at a high rate of speed. After a brief vehicle chase and then a foot chase, three suspects were arrested and charged with Attempted 1st Degree Murder, Discharging a Firearm into Occupied Property, and RDO.

The below two screenshots are from the ShotSpotter Investigator Portal. From October 2016 to January 2017 there were six ShotSpotter alerts for multiple gunshots around a residence. Officers followed up with a neighborhood canvass and interviews. No charges were filed but the second screen shot is the same area for four months after the neighborhood canvass.

The screenshot displays the ShotSpotter Investigator Portal interface. On the left, a 'Search Results' table lists various incidents with columns for Type, ID, Date, Time, Address, Zone, and CAD. The table is sorted by Date in descending order. The main area on the right shows a map view of the search results, with red markers indicating the locations of the incidents. The map is overlaid on a satellite image. The interface includes a search bar at the top right and a sidebar on the left with filters and controls.

NOTICE OF PUBLIC HEARING
BEFORE THE CITY COUNCIL OF THE CITY OF GOLDSBORO, NORTH CAROLINA
TO CONSIDER DESIGNATION OF CERTAIN PROPERTIES AS
HISTORIC LANDMARKS PURSUANT TO CHAPTER 153 OF THE
CITY OF GOLDSBORO'S UNIFIED DEVELOPMENT ORDINANCE

Notice is hereby given that a public hearing will be held before the City Council of the City of Goldsboro, North Carolina, on **Monday, March 19, 2018, at 7:00 p. m.,** in the Council Chambers, City Hall, to consider the designation of certain properties as historic landmarks pursuant to Chapter 153 of the Unified Development Ordinance.

The following properties are under consideration for designation as Historic Landmarks within the City of Goldsboro, North Carolina:

- | | | |
|----|----------------------------|---------------------------------------|
| 1. | 139 West Walnut Street | Former Wachovia Bank Building; |
| 2. | 135 West Walnut Street | Former Wachovia Bank Annex; |
| 3. | 200 East Walnut Street | Former National Bank of Goldsboro; |
| 4. | 202-204 East Walnut Street | Former Commercial Structure; |
| 5. | 206 East Walnut Street | Former Williams Paint and Supply Co.; |
| 6. | 106 South John Street | Former Bus Station location; |

The City Council, after the public hearing and receipt of a recommendation by the Historic District Commission, must formally find that each location has special significance in terms of history, prehistory, architecture, culture and integrity of design, setting, materials, feeling and association. If such findings are made, the City Council may adopt an Ordinance designating each property as a Historic Landmark.

All interested persons are invited to attend this public hearing and to be heard. If you plan to attend and require an interpreter, please contact the City Manager's office at City Hall at least four (4) days prior to the hearing.
