SU-13-21 Elondia Grant (Place of Entertainment without ABC-Hookah Lounge) – Subject property is located on the north side of E. Mulberry Street between Center Street and John Street. Public Hearing Held. On September 20, 2021, a public hearing was conducted to consider a request by the applicant for the operation of a Place of Entertainment with ABC permits (Hookah Bar and Lounge) within the Historic and Central Business (CBD) zoning districts.

The Planning Commission at their meeting held September 27, 2021 recommended denial without prejudice the Special Use Permit #SU-9-21 as the request did not meet requirements of NCGS 130A-496 (b)(2) regarding “free standing” structures.

On Monday, October 4, 2021, Goldsboro City Council accepted the recommendation of the Planning Commission and denied the applicant’s request for a special use permit without prejudice to allow the operation of a Place of Entertainment (Hookah Bar and Lounge) based on the fact that the request did not meet the following:

Items Requiring Individual Action.

Neighborhood Plan Property Transfer. Item Deferred. Preservation NC has historically worked in cooperation with the City of Goldsboro and the Downtown Goldsboro Development Corporation to save our historic structures and convert them into functioning, sufficient, owner- occupied residences. This effort has been an integral part of our Neighborhood Revitalization Plan strategy to take a first, proactive step in the development of viable neighborhoods surrounding the commercial downtown core of our City. This Plan was approved by the Council in 2006. City departments, including Planning, Inspections, Downtown Development, Finance and the Manager’s Office have worked with partners, Preservation NC and Self-Help towards the goals set out by the Neighborhood Plan.

Two properties, one historic house and one vacant lot, located at 403 and 405 West Mulberry Street were acquired by Preservation NC, with support from the City of Goldsboro in 2006 for the purpose of advertising to potential developers while maintaining protective covenants to ensure the historic features of the property were secured. The home is considered “significant to our certified local historic district,” and “contributing” according to the historic property inventory. When PNC was not successful at identifying a suitable buyer, the City worked with PNC to have the properties transferred back to City ownership in 2020, with the intent of passing on to the DGDC. The DGDC, as the City’s non-profit downtown development partner, has historically taken on PNC properties for the purpose of marketing for historic revitalization, in accordance with the City’s Neighborhood Plan. As was the intent when the properties were acquired from PNC, the City wishes to transfer 403 and 405 West Mulberry Street to the DGDC, in accordance with G.S. 160A-266(b), citing the conveyance of property to historic preservation organizations with historic covenants. The transfer is to be made in return for services provided by the DGDC to properly market the properties in accordance with the Neighborhood Plan.

Additionally, four vacant, sub-standard lots on N. Virginia Street have been requested for transfer under the same statute, including 204, 206, 208 and 210 N. Virginia Street. These properties, located in the same Neighborhood Plan area, will be marketed in a similar manner as the West Mulberry properties for the purpose of development and neighborhood preservation in accordance with the Plan.

It was recommended that Council approve the transfer of the following properties: 403 and 405 West Mulberry Street, 206, 208 and 210 N. Virginia Street and 204 N. Virginia Street, contingent upon approval by the County, as it is jointly-owned.

- a. All properties will be transferred to the DGDC for the purpose of Historic Preservation, in return for services provided by the organization to properly market for development in accordance with the Neighborhood Plan
- b. Subject to conditions and covenants stated in the following entitled resolution.

Council discussed the transfer of the property, Neighborhood Plan, Neighborhood Plan Committee, and bidding processes. Erin Fonseca, Downtown Development Director shared information about the Neighborhood Plan and downtown properties.
